Readers' Vote FMT-Adler 2026

Name _____

First name _____

Street _____

Postcode/city _____ Country _____

Email _____ Age _____

Telephone number _____

Yes, I consent to receiving future email communications from Verlag für Technik und Handwerk neue Medien GmbH about interesting offers. This consent may be revoked at any time in writing to the publisher or via the publisher's website.

Please select your favourites from the candidates and new products presented in FMT 04/2026:

- Category A / Foamie _____
- Category B / Gliders _____
- Category C / Powered Gliders _____
- Category D / Motorflight _____
- Category E / Jet _____
- Category F / Foamie / Jet _____
- Category G / Copter _____
- Category H / Accessories _____
- Category I / Scratch-Built _____
- Category K / Construction plan _____

Do you consider yourself a model builder ...?

- Beginner
- Adept
- Expert

Which model types do you build and fly most often? (Multiple Choice Answer)

- ARF/PNP models out of foam
- ARF/PNP models out of wood
- ARF/PNP models out of GFRP/CFRP
- Wooden construction kits
- GFRP/CFRP construction kits
- Depron construction kits
- Scratch-built or construction plan models

What model building divisions interest you? (Multiple Choice Answer)

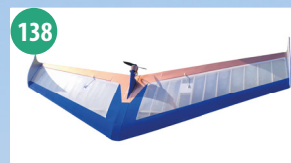

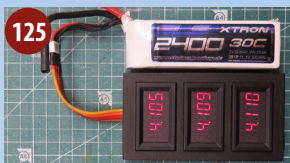

- Foamies
- Motorflight
- Jets
- Gliders
- Helicopters
- Multicopter s
- Combustion engines

For how many years have you been model building and/or flying?

For _____ years

How much money have you spent on models and model building in the last twelve months? _____ €

Cat. No.	Section	Product	Page	Issue	Year
I	121	Scratch-Built Indoor Ju-52 from Heinrich Eder	112	1	2026

How often do you read FMT?

- I am subscribed Every issue
 Almost all issues Every now and then
 Rarely

How many people read your issue of FMT in addition to yourself?

About _____ people Just me

Do you read other model building magazines besides FMT regularly? (Multiple Choice Answer)

- Aufwind Flugmodell Modellflieger
 Jetpower MFI None of the above

How do you rate the content of FMT?

(Give a grade from 1 to 6, 1 = very good)

How do you rate the visual appeal of FMT?

(Give a grade from 1 to 6, 1 = very good)

What topics do you want to read about more often in FMT? (Multiple Choice Answer)

- Market News
 Test reports of ARF models
 Test reports of building kits
 Practical construction advice
 Included, digital and featured Construction plans
 Scratch-built models
 Scale documentaries
 Company features
 Profile pieces
 Association news
 Trade fairs and events
 Travel reports
 Other: _____

What social media platforms do you use?

- Facebook Instagram
 Pinterest WhatsApp
 Snapchat Model building forums
 None of the above

Are you subscribed to our social media channels?

- FMT Facebook account yes no
VTH Newsletter yes no
FMT Instagram account yes no

If not, why?

- Too much content
 Too little content
 Content doesn't interest me
 Visual appeal is missing
 I didn't know of it

Are you aware of our ...

- Subscribers Club yes no
VTH online shop (en.shop.vth.de) yes no

Please rate seven companies you are familiar with. Give school grades between 1 and 6 (1 = very good) for each category.
